communication to the corporation's principal executive office, or (ii) notice is published at least once in a newspaper of general circulation in the county where that office is located. SECTION 7.7 VOTING

- (a) **Written waiver or consent.** The transactions of any meeting of members, either annual or special, however called or noticed, and wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if a quorum be present either in person or by proxy, and if, either before or after the meeting, each person entitled to vote, who was not present in person or by proxy, signs a written waiver of notice or a consent to a holding of the meeting, or an approval of the minutes. The waiver of notice or consent need not specify either the business to be transacted or the purpose of any annual or special meeting of members, except that if action is taken or proposed to be taken for approval of any of those matters specified in Section 4(b) of Article VII, the waiver of notice or consent shall state the general nature of the proposal. All such waivers, consents, or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

- (b) **Waiver by attendance.** Attendance by a person at a meeting shall also constitute a waiver of notice of that meeting, except when the person objects at the beginning of the meeting to the transaction of any business due to the inadequacy or illegality of the notice. Also, attendance at a meeting is not a waiver of any right to object to the consideration of matters not included in the notice of the meeting, if that objection is expressly made at the meeting.

SECTION 7.9 ACTION BY WRITTEN CONSENT WITHOUT A MEETING

- (a) **General.** Any action that may be taken at any annual or special meeting of members, including election of directors, may be taken without a meeting and without prior notice upon compliance with the provisions of this section.
- (b) **Solicitation of written ballots.** The corporation shall distribute one written ballot to each member entitled to vote; such ballots shall be mailed or delivered in the manner required by Section 4 of this Article VII for giving notice of special meetings. All solicitations of votes by ballot shall: (1) indicate the number of responses needed to meet the quorum requirement; (2) state the percentage of approvals necessary to pass the measure(s); and (3) specify the time by which the ballot must be received in order to be counted. Each ballot so distributed shall: (1) set forth the proposed action; (2) provide the members an opportunity to specify approval or disapproval of each proposal, if more than one proposal is set forth and (3) provide a reasonable time within which to return the ballot to the corporation.
- (c) **Quorum; majority.** Approval by written ballot pursuant to this section shall be valid only when the number of votes cast by ballot within the time specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.
- (d) **Revocation.** No written ballot may be revoked after delivery to the corporation or deposit in the mails, whichever first occurs.
- (e) **Filing.** All such written ballots shall be filed with the Recording Secretary of the corporation and maintained in the corporate records.
- (f) **Effect of non-compliance.** Failure to comply with this section shall not invalidate any corporate action taken, but may be the basis for challenging any written ballot, and any member may petition the Superior Court of California to compel compliance with the provisions of the Law.

SECTION 7.10 RECORD DATE FOR MEMBER NOTICE, VOTING, GIVING CONSENTS AND OTHER ACTIONS

- (a) **To be determined by board of directors.** For the purposes of determining which members are entitled to receive notice of any meeting, the board of directors may fix, in advance, a "record date," which shall not be more than 90 nor less than 10 days before the date of any such meeting. For the purposes of determining which members are entitled to vote, to give consent to corporate action without a meeting, or to take any other action, the board of directors may fix, in advance, a "record date," which shall not be more than 60 nor fewer than 10 days before the date of any such meeting. Only members of record on the date so fixed are entitled to notice, to vote, to give consents, or take other action, as the case may be, notwithstanding any transfer of any membership on the books of the corporation after the record date, except as otherwise provided in the articles of incorporation, by agreement, or in the California Nonprofit Corporation Law.
- (b) **Failure of board to determine date.**
- (i) **Record date for notices.** Unless otherwise fixed by the board of directors, the record date for determining those members entitled to receive notice of the annual meeting of members shall be the February 1 immediately preceding the annual meeting and for special meetings of members, shall be the business day preceding the day on which notice is given, or, if notice is waived, the business day preceding the day on which the meeting is held.
 - (ii) **Record date for voting.** Unless otherwise fixed by the board of directors, the record date for determining which members are entitled to vote at the annual meetings of members shall be February 1 and for special meetings of members, shall be the day of the meeting.
 - (iii) **Record date for written consent to action without meeting.** Unless fixed by the board of directors, the record date for determining those members entitled to vote by ballot on corporate action without a meeting, when no prior action by the board has been taken, shall be the day on which the first written ballot is mailed or solicited. When prior action of the board has been taken, it shall be the day on which the board adopts the resolution relating to that action.
 - (iv) **Record date for other actions.** Unless fixed by the board of directors, the record date for determining those members entitled to take any other action shall be the date the board adopts the resolution relating thereto, or the 60th day prior to the date of such other action, whichever is later.

SECTION 7.11 PROXIES

Every person entitled to vote shall have the right to do so either in person or by one or more agents authorized by an emailed or written proxy, signed or electronically signed by the person and filed with the Recording Secretary of the corporation. A proxy shall be deemed signed if the member's name is placed on the proxy (whether by manual signature, typewriting, electronic transmission, or otherwise) by the member.

SECTION 7.12 VOTING OF MEMBERS

Each member shall be entitled to cast one vote on all matters submitted to a vote of the members.

ARTICLE VIII

ELECTION OF DIRECTORS

SECTION 8.1 NOMINATING COMMITTEE

(a) Nominating Committee Members and Duties.

- (i) Selection of Nominating Committee Members. No later than the January board meeting, the President shall present to the board of directors, for the board's approval, a list of five members to comprise the nominating committee for that year (the "Nominating Committee"). One of these five members shall be the President Elect. The President shall solicit volunteers to serve on the Nominating Committee from the entire membership and shall choose people to serve on the Nominating Committee who are familiar with the membership and the positions to be filled. To be eligible to be on the Nominating Committee a person must not have served on that committee for more than two of the last five years, including the current year. In choosing members of the Nominating Committee, the President shall strive to include both long time members and members who currently have a student at Stanford; board members and non-board members. Any member being considered for the Nominating Committee, including the President Elect, shall be excused during the Board's deliberations and the vote on the membership of the Nominating Committee.
- (ii) Duties of the Nominating Committee. The Nominating Committee's duties shall be to select qualified candidates for election to the board of directors. The Nominating Committee also shall be responsible for filling Committee Chair and all other non-board positions. If a member of the Nominating Committee is being considered for a

position by that Committee, that member shall be excused from any discussions or decisions about that position. The Nominating Committee shall solicit volunteers to fill board and non-board positions from the entire membership and shall use its best efforts to include members who have not held a position before and members who currently have students at Stanford.

- (iii) **Board's Responsibility to Ensure Broad Membership Involvement.** It shall be the Board's responsibility to carefully review the President's suggestions for members of the Nominating Committee and the Nominating Committee's proposed slate of directors and non-board placement to ensure that the corporation's goal of broad inclusion of members in the management of the corporation is achieved. No one shall be denied the right to serve on the board or in a non-board position on the basis of gender, race, religion, ethnic origin, age, national origin, disability, or sexual orientation.
- (b) **First Meeting.** The first Nominating Committee meeting shall be called no later than January 31 by the President Elect. At their first meeting, the Nominating Committee shall vote to decide which of them will chair the Committee.
- (c) **Slate of Directors; Eligibility.** The Nominating Committee, with the approval of at least four of the five members, shall select by ballot, one candidate for each office on the board to be filled who shall consent to serve if elected. No one may be proposed for a position who has already served in that position for any two of the five years immediately preceding the term being considered. A nominee for President must have served on the board for at least one year. The President shall not be eligible for a board position the year after having served as President. While a nominee for President Elect need not have served on the board of directors to be nominated, such person must have otherwise exhibited dedication to and an understanding of the workings of the organization. Any person serving more than eight months of a one-year term shall be considered to have served for one year for purposes of the limitation on reelection. The Nominating Committee shall present a slate of directors to the board no later than the March board meeting, for the board's approval and the Recording Secretary shall send to each member, with the notice of the annual meeting, a list of candidates nominated, by office and a proxy form.
- (d) **Non-Board Positions.** No later than the April board meeting, the Nominating Committee shall present to the board for its approval, the Nominating Committee's recommendation for filling Committee Chair and other non-board positions.

SECTION 8.2 ELECTION PROCEDURE AT ANNUAL MEETING

- (a) Directors shall be elected at each annual meeting of the members to hold office for the corporation's next fiscal year. At the annual meeting, the Nominating Committee chair shall report the slate of nominations from the Nominating Committee.
- (b) Further nominations may be made from the floor providing consent has been obtained from the proposed nominee and eligibility cleared through the Recording Secretary at least ten days prior to the meeting.
- (c) The election shall be held immediately after the President closes nominations.
- (d) The Recording Secretary and the President Elect shall act as tellers. The candidate receiving the highest number of votes is elected to each position.

ARTICLE IX

DIRECTORS AND BOARD SEATS

SECTION 9.1 POWERS AND DUTIES

The business and affairs of the Corporation shall be managed, and all corporate powers shall be exercised, by or under the direction of the Board of Directors, except as may be otherwise provided in these Bylaws or the Articles of Incorporation. All Directors shall maintain a current procedure book. All Directors shall also have such other responsibilities as are prescribed by these Bylaws and their respective job descriptions, are usual to that office or are requested by the Board. All Directors shall attend Board meetings and general meetings of the membership. All Directors shall prepare, in a timely manner, a report on their term of office which shall be submitted to the President Elect by the end of their term of office.

SECTION 9.2 NUMBER, QUALIFICATIONS, PROVISION FOR CO-VICE PRESIDENTS, VOTING RIGHTS OF DIRECTORS

- (a) **Number of Board Seats and Directors Allowed:** The Board of Directors shall consist of at least three (3) but no more than twenty five (25) Directors. The number of Board seats shall consist of no less than THREE (3) and no more than twenty one (21) Board seats. The exact number of Directors and Board seats shall be fixed, within those limits, by a resolution adopted by the Board of Directors. The three required officers of the Corporation shall be the President, Treasurer, and Recording Secretary. With the exception of the three required officers, all other Board of Directors positions/board seats are established by a majority vote of the current duly elected Board of Directors. Any number of offices may be held by the same person except that neither the Recording Secretary nor the Treasurer may serve concurrently as the President.

- (b) **Provision for Co-Vice Presidents**: All Board of Directors positions specifically allow for Co-Directors, such as Co-Vice President of Programs, or Co-Recording Secretary. This means two people occupy the same board seat/position.
- (c) **Voting Rights**: Voting rights are attached to the Board seat and not the person, except in the case when one person occupies more than one Board role. No person serving on the Board can have more than one vote, even if that person is occupying more than one position/role/Board seat. Each Board seat has only one vote and this vote cannot be divided into fractional shares.
- (i) **Assignment of Voting Rights**: When Co-Directors occupy the same Board seat, the Recording Secretary will decide, with input from the Co-Vice Presidents, how their voting rights will be set for the current fiscal year, utilizing one of the two options in (ii) below. Each set of Co-Vice Presidents may request the option that best suits them, even if other Co-Vice Presidents on the Board have requested a different option.
- (ii) The two options are:
- (a) One Co-Vice President has voting rights from July 1- December 31 of the current fiscal year, and the other Co-Vice President has voting rights from January 1 - June 30; or
- (b) One Co-Vice President has voting rights for the entire fiscal year and the other Co-Vice President has voting rights for the subsequent entire fiscal year.
- (iii) **Disputation of Voting Rights**: In the event these voting rights are disputed by a Director on the Board, the voting rights will be set to option (ii)(a) above and the President will determine which Co-Vice President initially has voting rights.
- (iv) **Transfer of Voting Rights**: Co-Vice Presidents automatically transfer to each other their voting rights in absentia. This transfer of voting rights enables their Co-Vice President to vote. If a Co-Vice President resigns or is removed from the Board, the remaining Vice President gains full voting rights for all Board meetings until or unless a replacement Co-Vice President is voted onto the Board.
- (d) **Method of Voting**: Voting will be either in person, and/or by video or conference call during regularly scheduled Board meetings. In the event that a President needs to call for an emergency email vote, the President will provide at least 24 hours advance notice of the voting, along with supporting information needed. Depending upon the situation, the President will provide a reasonable time period for votes to be cast.
- (e) **Establishing a Quorum**: A quorum is achieved when a majority of the Board members with voting rights are present in person or online.

- (f) **Recording Secretary Duties**: It is the duty of the Recording Secretary to maintain the current list of voting rights by Board seat, and make such list accessible to all Board of Directors members; to use such list during Board meetings to ensure that ONLY votes by Directors with voting rights are counted; and to record in the Board minutes those present for the meeting, and who possessed the voting rights for that meeting.

SECTION 9.3 TERM OF OFFICE OF DIRECTORS

Each director shall serve for a term of one year beginning on July 1 and ending on June 30 of the following year. Each director, including a director elected to fill a vacancy, shall hold office until expiration of the term for which elected and until a successor has been elected and qualified. No director shall serve in the same position for more than two consecutive years or for more than two of five consecutive years. If a President is elected to serve a second term, the President Elect shall automatically be nominated for a second term as President Elect.

SECTION 9.4 VACANCIES

- (a) **Events causing vacancy**. A vacancy or vacancies in the board of directors shall be deemed to exist on the occurrence of the following: (i) the death, resignation, or removal of any director; (ii) the declaration by resolution of the board of directors of a vacancy of the office of a director who: (A) has been declared of unsound mind by an order of court, (B) has been convicted of a felony, (C) has been found by final order or judgment of any court to have breached a duty under section 5230 and following of the California Nonprofit Corporation Law, or (D) has missed more than three board meetings without being excused by the board; (iii) the vote of the members to remove a director; (iv) the increase of the authorized number of directors, or (v) the failure of the members, at any meeting of members at which any director or directors are to be elected, to elect the number of directors to be elected at such meeting.
- (b) **Resignations**. Except as provided in this paragraph, any director may resign, which resignation shall be effective on giving written notice to the President, the Recording Secretary, or the board of directors, unless the notice specifies a later time for the resignation to become effective. If the resignation of a director is effective at a future time, the board of directors may elect a successor to take office as of the date when resignation becomes effective. No director may resign when the corporation would then be left without a duly elected director or directors in charge of its affairs.
- (c) **Filling Vacancies**. Except for a vacancy created by the removal of a director by the members, vacancies on the board may be filled by the board or, if the number of directors then in office is less than a quorum, by (1) the unanimous written consent of the directors then in office, (2) the affirmative vote of a majority of the directors then in office at a

meeting held according to notice or waivers of notice, or (3) a sole remaining director. The members may elect a director at any time to fill any vacancy not filled by the directors.

- (d) **No vacancy on reduction of number of directors.** No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires.

SECTION 9.5 MEETINGS OF THE BOARD

- (a) Regular meetings of the board shall be held monthly and typically from September to June. No meetings are generally held in July and August. The time and place of meetings shall be fixed by the Board. The Board may change the frequency of meetings.
- (b) Special meetings may be called by the President, or by the President on the written request of three members of the board. All board members shall be notified at least four days in advance by first class mail or at least 48 hours in advance if notified personally or by telephone, e-mail or other electronic means.
- (c) Any meeting, regular or special, may be held by conference telephone or similar communication equipment, so long as all directors participating in the meeting can hear one another, and all such directors shall be deemed to be present in person at such meeting.
- (d) A majority of the authorized number of board members with voting rights at the Board meeting constitutes a quorum for the purposes of transacting business.
- (e) The act of the majority of the board members with voting rights present at a meeting duly held at which a quorum is present shall be the act of the board unless the act of a greater number is required by the law or these bylaws consistent with Article IX, Section 9.2 (c) Voting Rights and Section 9.2 (e) Establishing a Quorum.

SECTION 9.6 WAIVER OF NOTICE

The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the meeting, each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes.

SECTION 9.7 ACTION WITHOUT MEETING

Any action required or permitted to be taken by the board of directors may be taken without a meeting, if all members of the board, individually or collectively, consent in writing to that action. Such action by written consent shall have the same force and effect as a unanimous vote of the board of directors. Such written consent or consents shall be filed with the minutes of the proceedings of the board.

ARTICLE X

ARTICLE XII

INDEMNIFICATION OF DIRECTORS

SECTION 12.1 DEFINITIONS

For the purpose of this Article,

- (a) "agent" means any person who is or was a director, officer, employee, or other agent of this corporation;
- (b) "proceeding" means any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative, or investigative; and

- (c) "expenses" includes, without limitation, all attorneys' fees, costs, and any other expenses incurred in the defense of any claims or proceedings against an agent by reason of his position or relationship as agent and all attorneys' fees, costs, and other expenses incurred in establishing a right to indemnification under this Article.

SECTION 12.2 SUCCESSFUL DEFENSE BY AGENT

To the extent that an agent of this corporation has been successful on the merits in the defense of any proceeding referred to in this Article, or in the defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection with the claim. If an agent either settles any such claim or sustains a judgment rendered against him, then the provisions of Sections 3 through 5 shall determine whether the agent is entitled to indemnification.

SECTION 12.3 ACTIONS BROUGHT BY PERSONS OTHER THAN THE CORPORATION

Subject to the required findings to be made pursuant to Section 5, below, this corporation shall indemnify any person who was or is a party, or is threatened to be made a party, to any proceeding other than an action brought by, or on behalf of, this corporation, or by an officer, director or person granted related status by the Attorney General, or by the Attorney General on the ground that the defendant director was or is engaging in self-dealing within the meaning of California Corporations Code section 5233, or by the Attorney General or a person granted related status by the Attorney General for any breach of duty relating to assets held in charitable trust, by reason of the fact that such person is or was an agent of this corporation, for all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with the proceeding.

SECTION 12.4 ACTION BROUGHT BY OR ON BEHALF OF THE CORPORATION

- (a) **Claims settled out of court.** If any agent settles or otherwise disposes of a threatened or pending action brought by or on behalf of this corporation, with or without court approval, the agent shall receive no indemnification for either amounts paid pursuant to the terms of the settlement or other disposition or for any expenses incurred in defending against the proceeding, unless it is settled with the approval of the Attorney General.
- (b) **Claims and suits awarded against agent.** This corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action brought by or on behalf of this corporation by reason of the fact that the person is or

was an agent of this corporation, for all expenses actually and reasonably incurred in connection with the defense of that action, provided that both of the following are met:

- (i) The determination of good faith conduct required by Section 5, below, must be made in the manner provided for in that section; and
- (ii) Upon application, the court in which the action was brought must determine that, in view of all of the circumstances of the case, the agent should be entitled to indemnity for the expenses incurred. If the agent is found to be so entitled, the court shall determine the appropriate amount of expenses to be reimbursed.

SECTION 12.5 DETERMINATION OF AGENT'S GOOD FAITH CONDUCT

The indemnification granted to an agent in Sections 3 and 4 above is conditioned on the following:

- (a) **Required standard of conduct.** The agent seeking reimbursement must be found, in the manner provided below, to have acted in good faith, in a manner he believed to be in the best interest of this corporation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use in similar circumstances. The termination of any proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or in a manner which he reasonably believed to be in the best interest of this corporation or that he had reasonable cause to believe that his conduct was unlawful. In the case of a criminal proceeding, the person must have had no reasonable cause to believe that his conduct was unlawful.
- (b) **Manner of determination of good faith conduct.** The determination that the agent did act in a manner complying with Paragraph (a) above shall be made by:
 - (i) the board of directors by a majority vote of a quorum consisting of directors who are not parties to the proceeding; or
 - (ii) the members by an affirmative vote (or written ballot in accord with Article VII, Section 9) of a majority of the members represented and voting at a duly held meeting of members at which a quorum is present (which affirmative votes also constitute a majority of the required quorum); or
 - (iii) the court in which the proceeding is or was pending. Such determination may be made on application brought by this corporation or the agent or the attorney or other

person rendering a defense to the agent, whether or not the application by the agent, attorney, or other person is opposed by this corporation.

SECTION 12.6 LIMITATIONS

No indemnification or advance shall be made under this Article, except as provided in Sections 2 or 5(b)(iii), in any circumstance when it appears:

- (a) That the indemnification or advance would be inconsistent with a provision of the articles, a resolution of the members, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or
- (b) That the indemnification would be inconsistent with any condition expressly imposed by a court in approving a settlement.

SECTION 12.7 ADVANCE OF EXPENSES

Expenses incurred in defending any proceeding may be advanced by this corporation before the final disposition of the proceeding on receipt of an undertaking by or on behalf of the agent to repay the amount of the advance unless it is determined ultimately that the agent is entitled to be indemnified as authorized in this Article.

SECTION 12.8 CONTRACTUAL RIGHTS OF NON-DIRECTORS AND NON-OFFICERS

Nothing contained in this Article shall affect any right to indemnification to which persons other than directors and officers of this corporation, or any subsidiary hereof, may be entitled by contract or otherwise.

SECTION 12.9 INSURANCE

The Board of Directors may adopt a resolution authorizing the purchase and maintenance of insurance on behalf of any agent of the corporation against any liability other than for violating provisions against self-dealing asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not this corporation would have the power to indemnify the agent against that liability under the provisions of this section.

- (c) The annual report and any accompanying material shall be available to members upon request and may be sent by electronic transmission.

ARTICLE XIV

AMENDMENT OF BYLAWS

The board of directors may

not adopt or amend bylaw provisions concerning the following subjects without the approval of the members:
